DETAIL INSTRUCTIONS TO AUTHORS WITH TEMPLATE FOR THE ARTICLES THAT WILL BE PUBLISHED IN JOURNAL ECONOMICS OF AGRICULTURE

The ECONOMICS OF AGRICULTURE is an international scientific journal, published quarterly by Balkan Scientific Association of Agricultural Economists (BSAAE) in cooperation with Institute of Agricultural Economics Belgrade (IAE) and Academy of Economic Studies Bucharest (ASE), in which are published original scientific papers (double reviewed), review articles, pre-announcements, book reviews, short communications and research reports. The journal ECONOMICS OF AGRICULTURE accepts only articles submitted electronically on English language, as e-mail attachment to the following e-mail address: epoljoprivrede@gmail.com or economicsofagriculture@ea.bg.ac.rs

In the second copy of the article must be specified all information about author(s) (in required format) that are necessary for further correspondence and full transparency of published article.

Submission of articles to the ECONOMICS OF AGRICULTURE implies that their content has not been published previously in English, or in any other language. Also, submitted papers should not be under consideration for their publication elsewhere (in some other journal) and their publication has to be approved by all authors with signed declaration. Publisher reserves right to verify originality of submitted article by use of specialized software for plagiarism detection.

REVIEW PROCESS

The articles submitted to the journal ECONOMICS OF AGRICULTURE will be double blind (peer) reviewed and must have two positive reviews consistent to the generally accepted scientific standards. The reviewer independently and autonomously evaluates the article and could give a positive review, suggest some corrections, or give a negative review. In case that the review reports are antagonistic (one is positive and the second one is negative) the final decision will be on third review. Manuscript returned to the author(s) for revision does not guarantee the publication acceptance after article correction. The final decision for publication will be made after repeated review of the revised manuscript. If the article is evaluated positively and accepted for publication, each author has to sign the warranty of paper originality and confirm the copyright transfer to the journal ECONOMICS OF AGRICULTURE.

Do not combine literature units (under each ordinal number can be only one literature unit) and always write complete titles of used literature units. If used/cited literature was taken over from the internet publication, after adequate writing of literature unit, in
brackets has to be noted complete link from which material was taken over (available at: www.petarpetrovic.pdf). Please follow the presented examples for the proper writing of different types of literature units.
