

Instructions for authors

Aims and Scope

Technical Faculty in Bor, University of Belgrade has been publishing the journal called Journal of Mining and Metallurgy for 32 years and it was of a national importance for Serbia. This journal is transformed into an international medium for the publication of work on the theory and practice of mining and metallurgy, under its previous name.

Types of contributions

- Original research work not already published
- Plenary lectures and/or individual papers given at conferences
- Review articles
- Letters
- Book reviews

Submission of contributions

Authors should submit a disc together with *three* copies of their manuscripts and one complete set of original illustrations to the Editor-in-Chief (or Technical Editors).

- **preparation of manuscripts**
 - *language*: Papers will be published in English.
 - *estimation of length*:
 - *for original research works*: less than 15 pages together with tables and figures
 - *for review articles*: up to 20 pages
 - *for short notices*: less than 5 pages
 - *for letters*: up to 2 pages
 - *for book reviews*: 1 page
 - *keywords*: a maximum of six words should be indicated below the abstract
 - *text composition*: papers should be organized into following sections: Abstract (100 - 200 words), Introduction, Experimental, Results, Discussion, Conclusions, References. The title of the paper together with names of authors and their addresses should be given at the beginning of the text (corresponding author must be underlined with full address given), while tables and figures should be given at the end of text.
 - *reference list*: should be given at the end of the paper and prepared as follows:
 - 1.A.Author, B.Author, J.Min.and Metal.,33(1997)12.
 - 2.C.Author, The name of the Book, Publisher, City,1997, p.123.
 - 3.D.Author, in Handbook (E.Editor), Publisher, City, 1997, p.123
 - 4.E.Author, Proc.V International Symposium of Zinc, Date, City, Country,1997, p.123.

Reference number should be given in brackets in superscript through the text [#]. References in not-English languages should be translated in English, and the original language has to be mentioned in brackets (in serbian), for example.

- **preparation of compuscripts**

Compuscripts should be made on a double-density or high density 3.5" disk formatted for IBM PC compatibles. The article should be prepared by word processor MSWord 6.0. or higher, with simple fonts Times New Roman size 12 with double line spacing . The disc format, word processor format, file name(s), the title and the authors of the article must be indicated on the disk. TIFF files are preferred for figures.

All papers will be reviewed by the appropriate member of the Editorial Board. Authors make the revision of proofs before printing and they will receive 50 free copies of offprints and 1 issue of the Journal in which the article is printed. Manuscripts and compuscripts of papers submitted in Journal of Mining and Metallurgy will not be sent back to the authors.

Journal of Mining and Metallurgy is financially supported by the Ministry of Science of Republic of Serbia.
