AUTHOR GUIDELINES FOR IR

General outline:
Authors submitting to the International Review are requested to email full paper in English. Pictures, if imported, should be placed separately in the zip file in TIFF, JPG, GIF or CDR format in resolution of 300 dpi.

Manuscripts are blind reviewed with the understanding that they are substantially new and have not been previously published in whole. Publisher has the copyright to all published articles.

Practical guidelines
1) The length of the manuscript should not exceed 8 pages (including notes, references, appendices, tables, figures, charts, etc.). A paper must be written in English in text processor Microsoft Word, using font Palatino Linotype (size 11), in Latin alphabet, single spacing.
2) Page setup: B5, margins: top 3 cm; bottom 3 cm; left 2,5 cm; right 2,5 cm.
3) Paragraph setup: first line indentation 0,6 cm, paragraph spacing: before 2 pt and after 2 pt.
4) Title: right, bold, size 16
5) The author's name: last, middle and first name (bold, size 11) without titles. The author's affiliation name of institution, city, state, and country should be together with the author's name. Behind the name of the first author, a footnote should be inserted containing address and email of the first author. The maximum number of authors of one paper is three.
6) Abstract: italic, size 11, 3 line behind the author's name, the maximum length of 250 words. Key words should be 1 line behind the abstract up to ten key words.
7) Avoid endnotes.
8) Tables and figures should be numbered (1,2,3 etc.), in italics centred. All tables and figures (drawings) must be black & white.
9) Structure of the manuscript (only two levels). First heading: left, bold, size 12, before 18 after 9 pt. Second heading: left indentation 0,6 cm, bold, size 12, before 12 after 6 pt.
10) Reference to articles and books in the text: Give full name (first name, middle initial, and last name) of author(s) and year of publication in the first citation, with page number(s) where appropriate. For example: Glenn Firebaugh (1999) [first reference]; Firebaugh (1999) [subsequently]; Andrea Boltho and Gianni Tonio (1999) [first reference], Boltho and Tonio (1999) *subsequently*; Albert Berry, François Bourguignon, and Christian Morrisson (1983) [first reference], Berry, Bourguignon, and Morrisson (1983) [subsequently]. When more than one work by the same author is cited, give the last name of author and year of publication in parentheses for each subsequent citation. When listing a string of references within the text, arrange first in chronological order, then alphabetically within years. If there are four or more authors, refer to the first author, followed by et al. and the year; for example: Stefan Fölster et al. (1998). If there is more than one publication referred to in the same year by the author(s), use the year and a, b, etc. (example: 1997a, b). References to authors in the text must exactly match those in the Reference section.
11) List of references (in alphabetical order by author' last names) should be at the end of the manu. JR uses AEA rules for references (Harward style).
